FORUM GUIDELINES FOR PARTICIPATING IN THE SCHOENSTATT WA FAMILY WEBSITE

Rather than aiming to limit discussion **these aim to create a family friendly environment for positive discussion** free of unnecessary junk, spam and aggravations.

Consider before posting - is your post suitable for General Audiences (that is children and youth) - if in doubt, you can check with a moderator. In the case of a dispute or if you notice inappropriate content please **report** the post.

Schoenstatt WA welcomes on topic discussions that generate interest, belonging, development and apostolic growth of the Schoenstatt Movement.

FORUM GUIDELINES

1. Bad language, inappropriate content or discrimination is not permitted. This is a family orientated forum and includes no foiling the word censor to include bad language. A word censor is in place to mask certain words; infringements will however still be penalised. Quoted swearing whether masked or word censored is considered the same as if you had typed it yourself and the same penalties can apply. To avoid this simply delete words or content from quotes that are inappropriate or not permitted.
2. No commercial posts. In any uncertainties please seek moderator advice in advance.
3. Sneaky and cloaked commercial spamming is easily detected and also incurs an immediate ban.
4. Disagreements are allowed, though without personal attacks and flaming. Argue the idea not the person.

5. Participate only if you agree to the [Terms and Conditions](#).
6. Use the '**Report this Post**' button (top right of post) to alert moderators to inappropriate content. Moderators choose the action they feel appropriate and action taken is not announced.
7. Defamation is not permitted.
8. Each user accepts legal responsibility for their own content and Schoenstatt WA reserves all rights to modify or remove any content in breach of the forum guidelines.
9. Illegal activity and content (under Australian Law) is not permitted.
10. Complaints can only be raised and discussed directly with the Administrator.
11. For survey or research posts, permission is required before posting (unless you are a long term member and posting a non-commercial survey)

Schoenstatt WA and forum moderators reserve the right to close member accounts without notification and prevent access to the forum by individuals who breach forum guidelines or who are deemed unsuitable or disruptive.
