

Students decorate a picture frame on which they fasten the symbol of the Holy Spirit,

Students create 3-d collages, which expresses their understanding of the Sacrament of Confirmation. They share their creativity.

After having made their own pair of Rosary beads, the students reflect on how the Rosary relates to their lives by creating a 'Rosary of light'. They share with the group how, with the help of Jesus and his Mother Mary, they can show peace in their own family, as well as bringing light and hope to those close to them.

Dear Teachers,
I would love to invite you and your students to come to a retreat day at the Schoenstatt Shrine. In this 13th year of offering these retreats, I would like to invite you to make use of our program.

The day is a spiritual day, full of faith filled fun activities and learning, all of which concern the coming of age in the Catholic Church and the duty deriving from it.

Cost \$ 12.00 per student.

Parents are most welcome.

Please don't hesitate to contact me for further information. I am looking forward to hearing from you soon, as bookings come in fast.

Yours in Jesus and Mary
Sister M. Lisette

Adoration of the Eucharist is a special part of our Shrine visit

In the Shrine we take a closer look at how people live out their calling to the priesthood, religious life, marriage and being single and remember those who helped us on our faith journey.

It is there where they receive the symbol of the Holy Spirit for their picture frame and have a pre view of their own confirmation.

This coming of age story will help students to take the 5 truths of the squire's scroll as a guide for their own lives. It can also be used as an examination of conscience. .
