

One of the topics we discuss is:
SEARCHING FOR GOD'S TRACES IN MY LIFE

Another topic is the appreciation of purity of body and soul.
Decorating a picture frame with the image of Our Lady of Schoenstatt, the students add a lily, as a symbol of purity, which they mould out of clay.

According to the liturgical year, students engage in activities which foster their understanding of the teaching of the Church. During November, students make an Advent wreath..

Around Easter time students decorate an Easter candle, adding a symbol of their personal calling and renew their Baptismal

In the Shrine the students experience the forgiving love of God.. They write in the sand something they deeply regret for having done. Placing their hands in the large hands on the altar, they experience inner peace and forgiveness.

Adoration just belongs to this day.
