

Schoenstatt Movement WA

The Schoenstatt Movement WA acknowledges that safeguarding is a shared responsibility prioritising the care, protection and best interests of children and adults at risk.

By providing a safe environment, actively identifying and managing risk, and complying with the Safeguarding policy, guidelines and legal obligations, we serve Jesus and uphold human dignity as the foundation of our faith. We aim for our Schoenstatt community events to be safe, welcoming, and inclusive.

Our Movement is committed to implementing the National Catholic Safeguarding Standards (NCSS). We annually undertake a self-assessment (Safeguarding Activities Assessment Tool – SAAT) to continuously improve and monitor the implementation of the NCSS.

You can find out more about the safeguarding program of the Archdiocese of Perth, guidelines, find helpful resources, and protective behaviours resources and story books here: <https://safeguarding.perthcatholic.org.au/>

Our Safeguarding Officers

Safeguarding officers assist in creating a safe environment for all. They are the **first point of contact** for any safeguarding concerns and support the implementation of the National Catholic Safeguarding Standards.
